Pipeline Infrastructure Improvements Update

Dominion Energy Ohio Gas Pipeline Infrastructure Replacement Project **PIR 3189 – Honeydale Avenue & East 118 Street** **(City of Cleveland - Ward 4)**

CLEVELAND – On Monday, March 27, 2023, Dominion Energy Ohio’s gas pipeline infrastructure replacement project will begin on the following streets:

- Honeydale Avenue – North side from East 116th Street to East 120th Street
- East 118th Street – From Honeydale Avenue to Buckeye Road
- East 119th Street – From Honeydale Avenue to Buckeye Road

The improvements include replacing the old steel mainline with a new plastic mainline in the roadway and sidewalk area. A work zone will be established which will allow two-way traffic with traffic control personnel present to help direct traffic flow. Access to adjacent driveways and businesses will be maintained throughout construction. Work on the project will take place Monday through Friday from 7 a.m. to 5 p.m.

This project is scheduled for completion in May 2023. Permanent restorations will be completed in June 2023.

Should there be any questions, please contact Matt Lenke - Hill International at 330-353-7111.

***Editor’s Note:** Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.*

About the City of Cleveland

The City of Cleveland is committed to improving the quality of life for its residents by strengthening neighborhoods, delivering superior services, embracing diversity and making Cleveland a desirable, safe city in which to live, work, play, and do business.
