Employment Resource Guide

for job seekers 50+

This employment guide was created to serve as a connection for older adults to job assistance programs. The ultimate goal of our Age-Friendly initiative is to help residents live and age well in the City of Cleveland. Income security is essential for aging well. For many, aging well includes the sense of purpose that comes from employment and civic engagement and the opportunity to continue to develop skills. Learn more about Cleveland's Age-Friendly Action Plan www.clevelandohio.gov/agefriendlycle.
