

CITY OF CLEVELAND
Mayor Frank G. Jackson

Cleveland 50/50 Sidewalk Residential Replacement Program

(Call 664-2232 to Request an Estimate)

PROGRAM DESCRIPTION

Repair unsafe sidewalks through a partnership between the City of Cleveland and its residents where each party pays 50% of the cost.

The 50/50 Sidewalk Program is voluntary, but deciding not to have the required repairs made under this program does not relieve the property owner of his/her responsibilities or liabilities under Codified Ordinance 505.11 of the City of Cleveland.

PROGRAM PROCESS

Upon request, a city inspector will visit your property and assess your sidewalks. The city inspector will prepare a cost estimate, and sketch.

Those documents along with an authorization form, program rules & regulations and a return envelope will be placed on the property in a City of Cleveland door hanger bag.

The occurrence of work will depend on when the resident's matching funds are received by the City. In the event City funds are totally utilized and you have authorized the work at your residence, you will be notified by the City.

FINANCING INFORMATION

The City's matching funds are limited. Should they become depleted the program will be suspended until additional City funds are allocated.

However, requests for sidewalk estimates will continue to be received and performed.

NOTE: Authorization forms and payments received after August 31, 2019 may be performed in Spring 2020.
