

Cleveland Community Police Commission Application Form and Instructions

Introduction

The initial four year term of appointment for the Cleveland Community Police Commission (the “Commission”) will end in September 2019. In conformance with the terms of the Consent Decree entered into in 2015 between the City of Cleveland and the United States Department of Justice (“DOJ”), the City will appoint ten (10) individuals to serve as public members of the Commission, with service on the Commission by the ten new appointees to begin on October 1, 2019. Individuals who have previously applied to serve on the Commission and who were not selected are eligible and encouraged to submit an application. Individuals who serve or who have previously served on the Commission are also eligible to submit an application.

A Selection Panel established pursuant to the Consent Decree will consider all submitted applications and will recommend ten individuals for appointment to the Commission term beginning on October 1, 2019.

Background

The Cleveland Community Police Commission (the “Commission”) is one of the mechanisms within the Consent Decree entered into between the City of Cleveland and the U. S. Department of Justice to promote ongoing community input in: the development of reforms, the establishment of police priorities, and the increasing of community confidence in the Cleveland Division of Police (the “CDP”).

The Consent Decree establishes that the Commission is to consist of 13 members. Members are to represent the many diverse Cleveland communities. In order to ensure diversity on the Commission, ten (10) of the Commission members must include representation from eight broad categories identified in the Consent Decree. These categories include: Faith based organizations, civil rights advocates, the business/philanthropic community, organizations representing communities of color, advocacy organizations, youth or student organizations, academia, and individuals with expertise in the challenges facing people with mental illness or the homeless. In addition to these ten members, three seats on the commission are reserved by the Consent Decree for police bargaining groups including the Black Shield, the Fraternal Order of Police, and the Cleveland Police Patrolmen’s Association. Members of the Commission serve as volunteers and receive no compensation.

The mandate of the Commission is to:

1. Make recommendations to the Chief of Police and the City of Cleveland, including the Mayor and City Council, on policies and practices related to community and problem-oriented policing, bias-free policing, and police transparency.
2. Work with the many communities that make up Cleveland for the purpose of developing recommendations for police practices that reflect an understanding of the values and priorities of Cleveland residents.
3. Report to the City and community as a whole and provide transparency on police department reforms.
