“Homelessness Prevention Program for Cleveland Seniors”

The purpose of the program is “to provide homelessness prevention assistance to households who would otherwise become homeless” without it. Through this federally-funded program, the Department of Aging will be able to continue and expand its commitment to assisting Cleveland Seniors who are at risk of becoming homeless.

The Homelessness Prevention Program will:

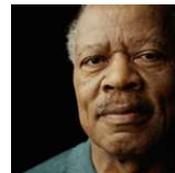

- Assess your current situation to determine your level of need
- Provide case management to help coordinate needed services
- Work with you to achieve a sustainable living arrangement
- Request limited financial assistance if program requirements are met.

You may be a candidate for possible assistance if:

- A resident of the City of Cleveland
- You are 60 years of age or older or you are between the ages of 50 to 59 and on disability
- Your income meets certain guidelines as defined by HUD
- You are at risk of being evicted (pending case with Housing Court)
- You are currently living in a “doubled-up” situation with family or friends
- You are living in a condemned property or currently homeless

For an assessment and/or for more information, please contact the City of Cleveland-Department of Aging at 664-2833.

If you are not a resident of the City of Cleveland, assistance may be available through other partner agencies. Please contact us for more information.

This program is funded through the American Recovery and Reinvestment Act of 2009 (ARRA) and administered through HUD’s Homelessness Prevention and Rapid ReHousing Program (HPRP).
