# PLAY, CREATE & CELEBRATE

Department of Public Works | Division of Recreation  
Summer 2015

## What's Old Becomes New and Beautiful

This past August, Cleveland took a giant step to preserve history and opened the newly restored League Park Baseball field.

League park is located at the corner of East 66th & Lexington Avenues. It was the original home to Cleveland baseball. The original park was built in 1891 and housed the Cleveland Spiders. The park was destined to be historic from the start, as future Hall of Famer Cy Young opened the park pitching his first game.

1920 League Park saw the Cleveland Indians beat the Brooklyn Dodgers for their first-ever championship.
