Flu + You

Are you 65 years of age and older? Flu is a serious disease, especially for older adults. Visit www.ncoa.org/flu to learn more about the flu and how it can be prevented, including the best vaccine option for you.

ENERGY SAVING TIPS

- Set your thermostat as low as comfortable.
- Check for drafts around doors, outlets, and windows, and caulk or insulate if possible.
- Install tight-fitting plastic sheeting to cover the inside of windows.
- Make sure the fireplace damper is closed unless in use. If you never use your fireplace, plug and seal your chimney flue.
- Turn off the lights when you are not using them.
- Close the doors to rooms not being used to conserve heat.

Cleveland Public Power Winter Program 216-664-4600

In order to assist customers who have experienced some difficulty in paying their electric bill, Cleveland Public Power offers a one time winter payment option of \$175 to prevent disconnection of service or for restoration of service. This plan is only available for customers that are maintaining their same residence. This plan is only available from November 1, 2014 – April 15, 2015, and the customer must agree to a three month repayment plan.

Cleveland Housing Network Housewarming Program 1-888-377-3774

Dominion gas customers who qualify for HEAP also qualify for the Housewarming weatherization program. The program includes a heating inspection, and repair if necessary, attic and sidewall insulation, and energy education to reduce your bill. Customers also receive a carbon monoxide alarm for their home. The free program is made available through funding from Dominion for current gas customers who meet the income guidelines. Homeowners or renters may apply. Check online for an application at www.chnnet.com/weatherization.aspx. Faxed applications can not be accepted.
