Pipeline Infrastructure Improvements Update
Wednesday, July 12, 2017, Dominion East Ohio Gas Pipeline Infrastructure
Replacement Project – PIR 1010
West 110th Street & Lorain Avenue
(City of Cleveland Ward 11)

Expect additional traffic notices as work progresses

CLEVELAND – Pipeline infrastructure improvements begin on Wednesday, July 12, 2017, weather permitting. It includes work on the following streets:

- Lorain Avenue, south side from West 115th Street to West 105th Street
- Fidelity Avenue from West 115th Street to West Boulevard
- Joan Avenue from West 110th Street to West 105th Street
- Bernard Avenue from West 110th Street to West 105th Street
- Almira Avenue from West 110th Street to West Boulevard
- West 111th Street from Lorain Avenue to Fidelity Road
- West 110th Street from Lorain Avenue to Fidelity Road
- West 105th Street from Lorain Avenue to West Boulevard

Improvement to infrastructure begins with the replacement of old steel mainlines. One lane of traffic will be maintained at all times on two lane side streets with traffic control personnel in the work zone(s) directing traffic. On Lorain, one lane of traffic in each direction will be maintained. In addition, a Law Enforcement Officer (L.E.O.) will be present at all signalized intersections. Access to adjacent driveways will be maintained throughout construction as well. The work will take place during daytime hours from 7:00 a.m. to 5:00 p.m.

This project is scheduled for completion in December 2017.

Note: In the event full restoration is not able to be completed due to weather, 2” thick temporary concrete sidewalks will be installed until full restoration can be completed in the spring of 2018.

Contact Dennis Scheid - Hill International at 216-701-2319 with questions.

***Editor’s Note:** Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.*

About the City of Cleveland
